Purpose (and Explanation) of the Proposed Amending By-Law –08-09

The requested zoning amendment will, if put into force and effect, serve the following purpose:

- To rezone a parcel of land in Lots 30 and 31, Con 1 from “**Marginal Agriculture**” to “**Rural Residential**”

The requested zoning amendment is a condition of land severance number B100/07.

No persons present to speak in favour or against the proposed Zoning Amendment.

Councillor Gardiner did have some concerns, not so much about location, but how the location was identified. The application indicated Lots 29 and 30. However the survey sketch indicates that it is Lot 30, and 31. This appears to be in part due to the roadway having a bend and that the bend crosses the Lot line between Lot 30 and 31. Councillor Gardiner did not have issue with the rezoning but asked that the Clerk clarify this concern with respect to the by-law and all associated paperwork. However, the location of the proposed amendment is clearly located
