To Whom This May Concern,

Re.: MTO – Marysville Creek Bridge (Contract #MTO-2017-4044) Notification of Construction Schedule

R.W. Tomlinson would hereby like to notify you of the upcoming construction activities taking place on the Marysville Creek Bridge, affecting the westbound on and off ramps of highway 401 under MTO Contract 2017-4044.

At this time, we are scheduled to have one night of a full ramp closure (both westbound on/off ramps) on the following date starting at 7:00pm and ending at 7:00am:

May 30th, 2019

Should you have any additional questions and or concerns contact the undersigned.

Sincerely,

Ryan Paquette B.Eng.
Project Coordinator
