### Campaign Expense Limits

There are limits on the amount a registered candidate may spend during the period starting the day the candidate files a nomination paper and ending on January 3, 2023. The limit on campaign expenses is based on a formula related to the number of electors entitled to vote for the office.

Once a person files their nomination form, they will be given a Preliminary Certificate of Maximum Campaign Expense Limit based on the Voters' List from the 2018 Municipal Election.

The following formula stipulated by the Municipal Elections Act is used to calculate the spending limits:

Reeve: \$7,500 plus 85 cents per eligible elector

Deputy Reeve, Councillor or School Board Trustee,: \$5,000 plus 85 cents per eligible elector

### Filing Financial Statements

All candidates, including those not elected, those who withdrew their nomination and whose nomination was rejected by the Returning Officer/Clerk, must disclose and report on their campaign expenses and contributions by March 31, 2023 at 2:00 p.m., or before May 1, 2023 at 2:00 p.m. (with a \$500 late filing fee) in accordance with the following:

Candidates' financial statements are filed with the Returning Officer/Clerk and are public documents which will be available for viewing by the public on the Township's website. 1. A person may only have one residence at a time.
2. The place where a person's family resides is also their residence, unless they move elsewhere with the intention of changing their permanent lodging place.

## **Voters' List**

The Voters' List is a list of eligible electors in the Township of Tyendinaga. During non-election years the Township of Tyendinaga does not maintain a Voters' List.

During an election cycle, the Municipal Property Assessment Corporation (MPAC) is responsible for preparing the preliminary list of electors for each municipality and school board in Ontario. It is MPAC's Municipal Property Assessment database of both property owners and tenants that is used to prepare this preliminary list, which aids in the preparation of the final Voters' List for the election.

From now until the middle of August voters may log into MPAC's online web tool [VoterLookup.ca](https://voterlookup.ca) to check their information.

Voterlookup.ca lets you:

- confirm the accuracy of your information;
- update your information where incorrectly recorded; and/or,
- add a name to the database so that it is correctly recorded for municipal and school board voting purposes.

In the middle of August, MPAC will provide this preliminary list of electors to the Township. Until October 24, 2022, the Township will conduct its own enumeration of eligible voters in Tyendinaga.

**Eligible voters should be on the Voters' List by mid-September.**

**This will ensure that they receive their Personal Identification Number (PIN) in the mail, which will allow them to access their online ballot.**

10-Day Voting Period  
October 14 to October 24, 2022

## **How to Get a Copy of the Voters' List**

Candidates are entitled to receive a copy of the List for campaign purposes. The List will be provided electronically to Candidates using the Candidate's Portal. **The information contained on the Voters' List is to be used for election purposes only. The use and sale of the Voters' List for Commercial purposes is strictly prohibited.**

In order to gain access to the Voters' List, candidates must first complete the prescribed form: Candidate's Declaration - Proper Use of Voters' List & Access to Candidates' Portal.

## **Proxy Voting**

Proxy voting is used when a person cannot attend a voting location to cast their ballot. However, since Tyendinaga voters will be able to cast their ballot from anywhere they have an internet connection, proxy voting will not be available for the 2022 Municipal Election.
